

IT'S WORLD BOOK DAY!

Yewdale Primary didn't allow the lockdown to get in the way of us all 'coming together' to celebrate our LOVE of books and reading on Thursday 4th March for World Book Day!

As Teams sessions went live, children from all classes were arriving on screen dressed as their favourite book characters, their best clothes and even their PJs! It was exciting to teach Harry Potter, Where's Wally, Belle and even Jessie from Toy Story; one class was even taught by the mischievous Dennis the Menace!

The day was packed with live story sessions from teachers, live sessions from the World Book Day website and recordings from children reading or talking about their favourite books; it was a HUGE community success! Thank you to everyone involved!

Here are a few photographs from the day!
