## Carroll Class – Years 5/6

We have been working incredibly hard in Carroll class since returning to school following the Easter holidays.

Year 6 have continued to put an amazing amount of effort into their SATs revision and they should be immensely proud of themselves.

In English, Year 5 have been working on information texts about elves and sprites. They have all written a detailed character description of their chosen elf or sprite and they are looking forward to writing the rest of their texts next week.

In the afternoons we have started to learn about the heart in our science lessons and how blood is pumped around the body through blood vessels.

In history, we are learning about the ancient Maya, a civilisation that lived in present day central America. This week we have sorted sources of evidence into primary and secondary sources and analysed sources to find out about the Maya.

In PE, lessons have become very competitive as each team has tried to improve their sprint technique to win the relay race.

In RE, we have been finding out about how Muslims show commitment to God, in particular how they do this through prayer.

In French, we have been talking and writing about sports that we like and don't like to participate in.

**Respect ...**

**Responsibility...**

**Resilience ...**

# Half Term Family Activities
