Potter – Year 1/2

Over the past few weeks, Potter have been extremely busy in our art lessons. We have been looking at sculpture with a focus on two artists, Antony Gormley and Eva Rothschild.

We looked closely at Antony's Clay Men and we used our clay skills to try and replicate his sculpture. He likes to make sculptures that have a resemblance to humans whereas, Eva likes to explore lines when sculpting. We used marshmallows and spaghetti to try and replicate her work.

In addition to this, we have also revisited our work on line and shading as well as using watercolours to create backgrounds.
