Holidays During Term Time

We recognise that it's often expensive to take a holiday during school breaks and that is why some parents may ask for term-time leave for their child. However, this is not considered an exceptional circumstance and head teachers are unable to authorize such absence.

Research suggests that children who are taken out of school may never catch up on work they have missed. This may affect test results and can be particularly harmful if the child is studying for final year's examinations.

Rainbow Friday

Friday 28th June

Come to school in multi colours to
celebrate the end of Diversity Week

(non - uniform)

Which colours will you pick?
Purple? Green? Red? Yellow?
Which colour best represents you?

Donation is optional

All funds raised will be used to buy books and
resources that help children understand more
about diversity.

Attendance matters

Every hour of every day is important in school, children miss so much by just missing one lesson.
