Nasal Flu Reminder

1. Protect your child
The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia

2. Protect you, your family and friends
Vaccinating your child will help protect more vulnerable friends and family

3. No injection needed
The nasal spray is painless and easy to have

4. It's better than having flu
The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record

5. Avoid costs
If your child gets flu, you may have to take time off work or arrange alternative childcare

Most children have the nasal spray vaccine which is the preferred vaccine. A vaccine injector is also available which does not contain gelatine from pigs (see the guidelines).

Help with Childcare Costs Before and After School Childcare

Tax Free Childcare

Tax-Free Childcare is a scheme open to working parents of children under 12 (or 17 if disabled) to help with childcare costs. For every £8 paid in, the government will pay in an extra £2, up to £2,000 (£4,000 if the child is disabled) per child per year.

How to apply?

www.gov.uk/apply-for-tax-free-childcare

We are now a part of the government's tax free childcare scheme.

You can use the tax free childcare to pay for
Breakfast and After School Clubs.

Once you have signed up and sent a payment all we need is; the amount you have sent, the date and your child's reference number and we can then allocate the money to your Breakfast and Afterschool Club account.

Please call the school office if you have any questions
